

I must acknowledge the services rendered by the officers & employees of the Board. It is due to the united and untiring efforts of the Board's officers & employees that we are able to overcome many hurdles to publish the results within the reasonable time frame with as much precision as possible. In fact, the officers & employees of the Board ever stand out with their best in the interest of the students of the State of West Bengal. They put herculean efforts to see the work done completely and properly.

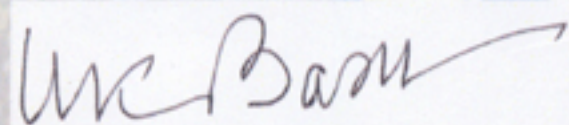

It will not be out of place to mention here that photographs of the candidates have been printed on their respective documents pertaining also to M.P.(S.E.),2007 i.e. Registration Certificate, Admit Card, Marksheet and Certificate. This system has been appreciated by all like the previous years. This year we have introduced photo attendance sheets for external candidates also.

Two copies of schoolwise resultsheets will be available to the respective schools, one for displaying on the notice board for information of the students.

The candidates who have passed in the 1st Division securing 600 marks and above in the aggregate, may apply for National Scholarship in the prescribed form within thirty(30) days from the date of announcement of Provisional Results.
